Now, I really enjoy Race I will admit that it does have a reasonably high barrier for entry.. Some worlds allow players to produce goods, which can be consumed later to gain either card draws or victory points when the appropriate technologies are available to them.

I've played Race for the Galaxy a few times, and I've played Roll for the Galaxy more.. In the card game Race for the Galaxy, players build galactic civilizations by playing game cards in front of them that represent worlds or technical and social developments.
